900 Third Avenue
New York, N.Y. 1002

Dear Sirs:

I am interested in submitting a grant application for funds supporting research in the area of Tumor Invasion and Metastasis to The Council for Tobacco Research-U.S.A. Inc. I appreciate your cooperation in this matter by sending me more information concerning regulations and requirements of the council for funding scientific research at the above address. I will also require a grant application form with instructions.

Thank you for your time and consideration.

Sincerely

Kamiar Moin, Ph.D.
